Nga mihi mahana kia koutou. Warm greetings to you all.

It has certainly been different in our new normal, however it has been great to see everyone back and happy to be here.

As most of you will be aware we have the Kowhai class here at Base for now, and it is just so nice to watch the interactions amongst all the students and how easily they adapted to their new classroom.

We welcome a new student this term, Nixon is a young man who has joined us at Base. His enrolment takes our total roll up to 43. The new builds can't come soon enough!

We are continuing with our Alert Level 2 hand and cough hygiene and more rigorous cleaning of surfaces, which most of the students are doing beautifully with minimal prompting.

Finally, thank you everyone for supporting your young people at home during lockdown. It was lovely to see what people were up to on StoryPark, I hope we can continue to use that platform to keep us all connected.

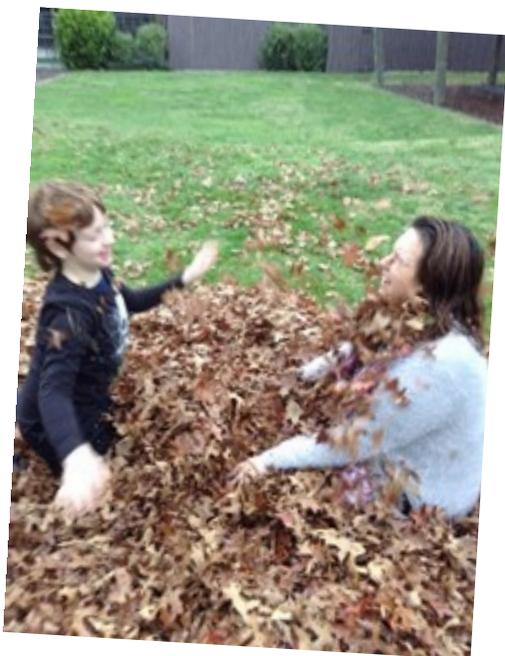

I hope you all manage to have a lovely "real" long weekend this weekend. See everyone back on Tuesday.

Cheers Jenny

This term the **Kowhai** boys from M@HW have been learning at Base. They have been having lots of fun joining in with the other students at morning circle, breakfast club, café and sport. They have also really enjoyed playing in the playground especially the big pile of leaves and the basketball court.

The students have also enjoyed going for walks in Queens Garden and doing some art to decorate the class. They have done so well adapting to the move and everyone is happy and working hard on their goals. **Tino Pai boys!**

Fish and Chips (and other items) are available to order for lunch at Base on Fridays once again.

Check the Fish Stop menu on their page.
